

## *Join an innovative Dorset Practice*

*set on the edge of the magnificent New Forest & beside the seaside!*

**We are a forward thinking, caring practice full of ideas and we are happy to nurture newly qualified GPs and promote ongoing professional support to experienced GPs looking for new challenges. We are a high achieving Practice long established in two semi-rural villages but also in easy reach of Bournemouth, Christchurch and Southampton for sun, sea, sand, entertainment, amenities and dynamic nightlife.**

These are challenging times for General Practice offering new exciting opportunities. We are looking for an enthusiastic and motivated Salaried GP or Partner to help drive our Practice forward.

You will be supported by an experienced, highly skilled multi-disciplinary clinical team, including Salaried GP colleagues, 3 Nurse Practitioners, 4 Practice Nurses, HCA, MSK Assessor/Physio and Paramedic. This is complemented by a passionate, friendly administration team.

We are actively developing our team to explore and embrace new ways of working with the aspiration to relieve the pressure on our GPs. We are always eager to develop innovative new ways of working whilst keeping our ethos of providing a supportive and caring working environment for our staff and patients

- TPP SystemOne Clinical System
- Competitive Salary
- Professional Indemnity reimbursed by the Practice
- up to 8 sessions (negotiable) we are flexible in how these sessions are met
- Supportive of your career development
- Welcoming of any progressive development ideas
