

Health Care Assistant

We are looking for an experienced Health Care Assistant to join a highly dynamic, well-motivated team.

Our nursing team provides an extensive range of high quality services and makes extensive use of IT systems and the latest in healthcare initiatives in order to provide a service that is second to none.

Interested applicants should be in possession of relevant formal qualifications and have demonstrable experience and competence in the role of a HCA, ideally with experience in General Practice and with essential skills in:

- Phlebotomy
- Ear syringing
- Wound care
- Leg ulcer treatment
- Injections and vaccinations
- Treatment Room duties

The ideal candidate will be in possession of NVQ level 3, although this is not essential. They should also be able to promote a healthy lifestyle.

The hours for the post are a minimum 15 hrs per week with flexibility to cover colleagues. Salary will be commensurate to the skill-set held.
